

## **MEETING BETWEEN LEISURE CENTRE AND SWIMMING CLUB**

During a recent meeting with staff from Newton Abbot Leisure Centre the following requests were made;

- Please could swimmers not lean on/hang off lane ropes whilst waiting at end of lane.
- Sundays 7.30pm session – Girls changing rooms will be cleaned at 9.20pm, therefore, girls have 20 minutes to shower and change – **use this time wisely**
- Please do not leave drinks bottles/caps/rubbish on poolside or changing rooms – use litter bins available.
- 3 Minute Rule – 3 minutes clear time is needed at start of sessions to allow time for existing swimmers to leave pool area and for the set up of equipment. Please wait in changing rooms or corridor leading to poolside until the end of the 3 minute changeover period.

Thank you
